### Features & Benefits

No Turn - for easy care  
 ReActive™ pocket springs with a firmer feel for edge to edge support  
 Contains 100% natural and sustainable fibres that can be recycled at end of life  
 Safe and fire resistant sleep surface that is free from FR chemicals  
 Luxurious unbleached cotton and linen sleep surface that helps keep you dry and cool  
 Organic cotton and flax layer combined with wool to naturally aid moisture and temperature management  
 With bamboo fibres, often used in performance sportswear, to help wick moisture away from the body.  
 Tencel™ is sourced from managed eucalyptus forests, to provide an award-winning premium fibre that is soft, strong and eco-friendly.  
 Contains 1.5 fleeces (3kg) of British wool traceable to Red Tractor assured farms and bought through the Woolkeepers® initiative, offering quality assurance and peace of mind.  
 eOlus™ support pad allows airflow and contains recycled fibres made from water bottles  
 Simple border with 3 rows of side stitching
